It's official – as of **2026/03/17**, the .CA domain victorialeads.ca is fully registered and active in the .CA Registry!

Questions? Concerns? Contact **your registrar**:

Your registrar: Go Daddy Domains Canada, Inc

Phone: +1.8669381119

Email: support@godaddy.com

Website: ca.godaddy.com

*If this doesn't seem like the company you registered your domain with, it's likely you registered with a company that is a reseller for this registrar. In that case, contact the company you registered the domain with - [visit our website](#) for further info.

A couple more things before we let you go:

- By registering victorialeads.ca, you have agreed to the Canadian Internet Registration Authority's (CIRA) [Registrant Agreement](#).
- The current expiry date for your domain is **2027/03/17**. **Mark this date in your calendar** now so you don't forget to renew your domain!
- Help us make the .CA domain better for all Canadians! **Take this short survey** to tell us about your registration experience and what you plan on using your domain for.
- Take your involvement in Canada's internet to the next level and join thousands of other .CA holders, by signing up to be a [CIRA Member](#).

Please review our [privacy policy](#) and visit the CIRA [WHOIS](#) page to learn about what information is shared.

About CIRA

We're the folks who manage the .CA registry – a not-for-profit, member-based organization that develops and implements policies that support Canada's internet community.

Learn more about us at www.cira.ca. View CIRA's [Privacy Policy](#).

[979 Bank St, Suite 400, Ottawa, ON, K1S 5K5](#)

Email information

You're receiving this email because you recently performed an action regarding a .CA domain and this is the email address listed in our database as the registrant for that domain. It's important that you know what changes are being made to your domain names, and therefore registrants are unable to unsubscribe from these notification emails.

Please do not reply directly to this email. This email was sent from a notification-only address that cannot accept incoming email.
